# CAPE POND ICE SHOT LUGE

The Ice Shot Luge - “The Life of your Party” - is a fun and exciting way to chill and serve favorite beverages. Pour the drink in at the top of the giant beveled ice wedge. Watch the liquid run the length of the carved “luge course” and come out the bottom into your glass (or, at lively parties, your mouth!).

We offer two basic Luge designs: Our elegant 60 pound pedestal Luge, or our long-lasting giant 120 pound ice wedge, both beveled at the ideal angle, with hand holds and decorative swirls.

Want a Luge for less? We offer three choices: a flat slab Luge, which needs to be blocked up at the correct angle; or carve your own from a half-block wedge “blank” or from a full 300 pound ice block.

*\*Enjoy your Luge responsibly.  
No liability assumed.*

# CUSTOM LUGES & ICE BARS

There is no limit to what our talented sculptors can make in ice: Full size Martini Bars, Tabletop Ice Bars, Ice Wine Racks or custom Luge designs.

Our basic Ice Luges are sold on a pick-up basis here in “cool” ol’ Gloucester, MA during regular business hours. Contact us to confirm your Luge order and pick-up time. Delivery may be available - check for updates. We have insulated packaging and drip trays (to catch melting ice water).

**Call 978-283-0174 to reserve  
for your next party!**
